+54 911 4172 2627

Born in 1975 in Buenos Aires, Matías launched his career in film industry in the year 2000, after studying Image and Sound Design at Buenos Aires University (UBA) and after completing many courses and seminars in drawing, set design, and art history.

With extensive experience as a Set Decorator and Art Director, where he has worked with many prestigious film directors on national and international projects, Matías became a Production Designer in 2012.

Currently, Matias serves as a Production Designer and Art Director for feature films and Tv series.
